

WELCOME TO ICNC 2025

VIGOUR | VISION | VITALITY

Organized By – Varanasi, Lucknow, Etawah, Meerut, Prayagraj
20th to 23rd February 2025 | Taj Ganges, Varanasi

www.iapenicnc2025.com

ABOUT THE CONFERENCE

IAPEN INDIA is a non profitable charitable trust and has the privilege of being the only PEN society from India, recognized by European ESPEN and American ASPEN.

IAPEN INDIA is our nation's PEN society with its state chapters spread all over India. As an association, its contribution to the growth and spread of knowledge in the field of enteral and parenteral nutrition through conducting national and international seminars and congress every year in India is enormously appreciated .

ICNC – "IAPEN INDIA Clinical Nutrition Congress" is our annual event and ICNC – 2025 is going to be held in Varanasi, Uttar Pradesh from 20th to 23rd of February, 2025 at The Taj Ganges, Varanasi.

The ESPEN – LLL (Life Long Learning) Live courses are open for the Congress participants on 20th & 21st February, 2025 at The Taj Ganges, Varanasi.

The theme of the conference is "Vigour, Vision & Vitality." The objective of this conference is to bring together multidisciplinary stakeholders to collectively expand, progress, and evolve in areas of research, intellectual enhancement, and industrial growth.

This conference offers a unique opportunity to network and engage with representatives from the fields of nutrition, medical professionals, research & development, academicians, and more.

ICNC 2025 will address critical issues such as advanced nutrition, critical care, metabolic diseases, emerging nutrigenomics, experimental and clinical research, fostering high standards of practice & investigation, and explore uncharted newer areas.

Given the collaborative effort of the five chapters from Uttar Pradesh—the largest state in terms of population—we anticipate a significant participation of nearly 1500 delegates from not only India but also from our Pen societies Globally. The Faculties from National and International clinical Nutrition group are going to deliver the academic feast to them. Workshops are planned to sharpen their skills in the area of interest in Clinical Nutrition. We are pleased to share with you that top notch professionals from Italy, Switzerland, Poland & SAARC Countries—Sri Lanka, Bhutan, Nepal, Pakistan and Maldives, have consented to participate in the Congress. We are also expecting participants from various countries.

ABOUT CITY EXPLORATION

Varanasi, the spiritual heart of India, offers a mesmerizing blend of ancient traditions, cultural vibrancy, and timeless heritage.

Must-visit places

1. Kashi Vishwanath Temple

One of the 12 Jyotirlingas, this iconic temple is a spiritual hub where divinity and devotion come alive.

6. Manikarnika Ghat

Known as the gateway to liberation, this ghat holds profound spiritual significance in Hinduism.

2. Dashashwamedh Ghat

Famed for its vibrant Ganga Aarti, this ghat is a soulful experience that illuminates the night skies with faith and fire.

7. Banaras Hindu University (BHU)

Renowned for its architectural beauty, sprawling campus, and the New Vishwanath Temple.

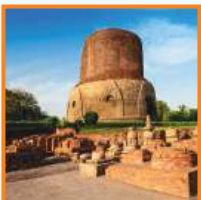

3. Assi Ghat

It is a popular spot for serene sunrises and evening rituals, offering a peaceful ambience along the sacred river.

8. Bharat Mata Temple

A unique temple dedicated to Mother India, featuring a detailed map carved in marble.

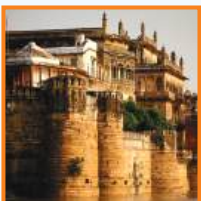

4. Sarnath

The birthplace of Buddhism, where Lord Buddha delivered his first sermon. Explore the Dhamek Stupa and Sarnath Museum.

9. Tulsi Manas Mandir

A temple steeped in literary history was built where Tulsidas wrote the Ramcharitmanas.

5. Ramnagar Fort

A majestic fort and museum showcasing royal artefacts along the Ganges' banks.

10. Godowlia Market

A vibrant marketplace where you can find traditional Banarasi sarees, handicrafts, and local delicacies.
